

Jisoo Geum

UX Designer

Portfolio: jisoogeum.com

Email: jgeum@andrew.cmu.edu

Phone: 408-540-8069

Education

Carnegie Mellon University

Bachelor's in Human Computer Interaction and Fine Art

Fall 2017 - Current (estimated graduation time: Winter 2021)

Pittsburgh, PA

Experience

UIUX Design Intern

Sentbe

July 2020 - August 2020

Seoul, Korea

- In collaboration with the marketing and the front-end team, I designed the promotional website for an overseas remittance mobile app.
- Lead competitor research across 20+ international remittance companies for an annual report. Briefed the findings to the design team to share insights and suggestions.
- Redesigned a mobile remittance app based on competitor research.
- Took part in designing UI assets for multiple projects.

UX Design Intern

Circus AR

June 2019 - August 2019

Seoul, Korea

- Re-designed a mobile AR app by adding an on-boarding process, error messages, AR content browsing page, and content download page. The addition of a content download page allowed users to activate AR contents without an image marker, which increased accessibility.

CNC Router Monitor

Carnegie Mellon Artfab Lab

August 2018 - December 2018

Pittsburgh, PA

- Assisted freshman students operating with Rhino software and CNC router, while maintaining safety precautions.
